Program Attendance Note

Since our largest meeting room has a maximum occupancy of 95 persons as determined by the fire marshal, we cannot guarantee admittance to our most popular programs. If you plan on coming, please arrive early, especially for performers. We will begin handing out tickets approximately 30 minutes before programs start. If you miss a program at Levittown, please check at the service desk as performers usually go to many different libraries and we can tell you where they will be next!
